- Very few climbers provide the challenge of an over hanging cliff
- What a great work out for older children who have the strength and dexterity to conquer the challenge
- The opposite side provides easy access for younger children to make a quick climb to the top
- The over hang also provides a great hand over hand upper body strength challenge
- Use one or many to create original and interesting climbing walls
- Add your own steel ladders, climbers, etc. between units to provide the most amazing futuristic structures

Specifications

Complies with:
CAN/CSA-Z614-03; ASTM

Available Colours:
All

Polyethylene Density:
Medium

Packaging:
Bagged in plastic

Approx. Cubic Size Packaged:
123 cubic feet
